Call us to discuss a trailer to meet your business needs or to make your hobby that much more enjoyable.

Sundowner Aluminum Trailers

- To accommodate those customers who prefer an aluminum horse or stock trailer...
- Blake Trailers is Idaho's Sundowner dealer, offering their full line of standard & custom units.
- We are excited to bring this exceptionally well built line of aluminum trailers to the area.
- While constantly in the process of selecting which models to showcase next, the grid below features trailers currently on the lot, and all models are immediately available to order.

- See the entire selection along with printable fact sheets at www.SundownerTrailer.com

- Be sure to call us to get a price quote, as Blake Trailers offers these units significantly below Sundowner's MSRP.

Red Rock Wildland Fire System Trailers / Water Tank Trailers

- First Response Fire System Units &
- 1,000 or 500 gal. Water Tank Trailers for arena, ranch and construction use

are the latest addition to Blake Trailer's offerings.

Ruggid Gear Camp Trailers

- The prototype for a new line of unique camp trailers which we are fabricating, the "Sawtooth Adventure Trailer", was on display at Boise Rec Fest in Ann Morrison Park June 26-27, 2010.

- Check out their design features online at RuggidGear.com or log onto the Ruggid Gear Facebook page

for additional info and insight into this amazing line of recreational trailers and supplies.
